Re: Assessment Office February Monthly Activity Report

Keyed Sales activity for the month of February is trending above the median level of the 4 previous years being reported on the following page, in addition keyed sales activity year to date is running approximately 31% above the median level of the 4 previous years being reported.

Keyed February residential improved property show an average sale price of \$215,600 township wide for 2020 this is about 3.20% below the value from February 2019 which was \$222,719. The year to date comparison from 2019 to 2020 remains relatively unchanged from \$228,359 to \$229,150 respectively.

The office generated updates for February 2020 are running just below the median level of the 4 years being reported based on month to month comparison. Year to date office generated updates are running above the median level of the previous reported years

The 87 keyed February building permits are just below the median of 93 keyed permits for the 4 previous years same point in time. Year to date the level of keyed permits for 2020 well above previous reported years.

Residential new construction remains active with 206 open building permits. New construction projects currently under development are Woodlore Estates in the City of Crystal Lake, Legend Lakes, The Oaks at Irish Prairie, and Patriot Estates all within the City of McHenry, these cited projects account for the majority of the on-going active housing developments within the township.

The data collection out of the office is very active during the month of February 164 properties which had open building permits were visited and 102 properties that had open office generated updates were also visited. The township website has been updated with 95 new photos

Please remember I am available for any questions or concerns.

Respectively submitted,

Mark S. Dzemske

Current Status

Meet your Assessment Team

Assessor

Mark is your Nunda Township Assessor. Mark was elected your Nunda Township Assessor effective January 1st, 2018 and has been employed by the Nunda Township Assessor's office since 1988. He carries an advanced designation with the Illinois Property Assessment Institute and is a member of the International Association of Assessing Officers

Chief Deputy Assessor

Kristin oversees and directs much of the daily activity of the deputy assessors, she has an extensive background in Mass Appraisal and is experienced in the assessment of all types of properties. Kristin is a member of the International Association of Assessing Officers and was awarded her Certified Illinois Assessing Officer designation from the Illinois Property Assessment Institute.

Deputy Assessors

Heidi, Karen, and Michael Ann are all very experienced in Real Property Assessment and have extensive backgrounds in the Real Estate Market and Mass Appraisal Valuation. All three deputies carry the designation of Certified Illinois Assessing Officers, which were obtained thru the Illinois Property Assessment Institute.

Data Collection

Mary coordinates our residential data collection. Mary has been with the Nunda Township Assessors office since 2002 and is very familiar with the many neighborhoods in the township. Mary spends most of her time in the field following up on building permits, measuring and listing property characteristics, speaking with property owners and updating property record cards etc.

Office Support Staff

Lisa completes your Nunda Township Assessment Team. Much of Lisa's time is spent processing Real Estate Transfer Declarations, Building Permits, and generating reports for use by team members. In addition, Lisa is typically your first contact when either phoning or visiting the office. The support staff is a key source in the verification of details in the transfers of properties that occur in the township as well as helping residents when applying for exemptions.

Summary

The Nunda Township taxpayers should be very confident in the assessment team that has been assembled to serve their needs. I believe it is one of the BEST in the county and we will strive to continue to improve and provide the taxpayers with the best possible service. Each of these positions are vital components that help to achieve the timely completion of the annual assessment cycle.
